Yesenia,

I think that we should trying our Rapid Response Program! The Rapid Response program is the best option to get Rings into your community quickly! Our "Rapid Response" discount is intended for communities that have recently had issues with residential crime, whether it be a package theft or a car burglary like you experienced. Our main goal here at Ring is to reduce crime in neighborhoods and bring peace of mind! This discount would be limited to your community, so I would need you to send over the zip codes that make up your neighborhood!

I can create a $50 discount that will be valid for 48 hours. You can write something on Facebook like this:

"I spoke with an Account Manager at Ring Video Doorbell today and due to the recent car burglary that occurred in our neighborhood she is willing to give us an excellent deal on their three main devices. For the next 48 hours, she is willing to give us a $50 discount on the Ring Video Doorbell, Ring Video Doorbell Pro and Stick Up Camera. Ring's main goal is to reduce crime in neighborhoods and this is a great way for us to capture and share videos, keeping us all aware!

Use the promotion code (we will create a promotion code) to receive $50 off of the Video Doorbell, Video Doorbell Pro, and Stick Up Cam! This discount will expire on "" at 11:59 pm so let's all take advantage and make our community safer!"

We can run the discount through your [redacted] meeting, so maybe Friday (4/5) through Sunday (4/7)?

Let me know what you think!
